About our Boot camp

Start Date

First Group: October 30, 2019

Second Group: June 24, 2020

No Exam Required

Classes will occur on both **weekdays** and **week-ends**. This program is designed jointly by academic leaders and industry experts. The curriculum is a step by step process made easier by our fantastic professors.

We have small class sizes with a focus on each individual that intensifies the learning process. **Courses can be transferred** from other bootcamps after passing the required examination into the Master's in Computer Science.

Up to **3 years of OPT available** after completing your Master's degree in Computer Science. Our tuition is at a **very affordable** and competitive price point.
