WHAT TO KNOW ABOUT THE BOOTCAMP ?

NO EXAM REQUIRED

START DATE

FIRST GROUP – JUNE 10, 2019

SECOND GROUP – JANUARY 27, 2020

Classes will occur on both weekdays and weekends.

This program is designed jointly by academic leaders and industry experts.

The curriculum is a step by step process made easier by our fantastic professors.

We have small class sizes with a focus on each individual that intensifies the learning process.

Courses can be transferred from other boot camps after passing the required examination into the Master's in Computer Science at NAU.

I-20's will be issued for international students enrolled in Master's in Computer Science.

Up to 3 years of OPT available after completing your Master's degree in Computer Science.

Our tuition is at a very affordable and competitive price point.

CERTIFICATE REIMBURSEMENT

Selected certificates fees will be reimbursed to the enrollees upon submission of the certificate to the NAU. To learn more please visit the bootcamp.na.edu
